HISTORY

In January 1983, the congregation's Voter's Assembly adopted a resolution to open a Lutheran elementary school. That became a reality in August 1983, with the first day of school in three classrooms. In 1984 an additional teacher and classroom were added. A fifth teacher and classroom were added in 1992. Two portable classrooms and a sixth teacher were added in 1995. A 4 year old preschool program was added in 1998 and the 3 year old program began in 2005. In the Spring of 2008 St. John celebrated 25 years of operation. In the fall of 2009, St. John started All Day Everyday Kindergarten and opened its doors to an Early Childhood Learning Center. St. John moved into a brand new school facility in August 2010. A Spanish program was added at St. John in 2013. In 2014, a twelfth teacher was added. St. John expanded its facility in 2015 with four additional classrooms, a multipurpose room and additional office space. Along with the expansion in 2015, St. John increased its faculty to 14 full and part-time teachers.

Mission Statement:

Making disciples of Jesus Christ through the Word and a Christ-centered curriculum.

Spanish	Art	Reading
Computer	Phys. Ed.	English/Writing
Music Band	Choir	Spelling/Handwriting

ACADEMIC EXCELLENCE

Our students receive a strong academic program. Our curriculum is reviewed and updated yearly. Our 2-8 grade students are tested with Measures of Academic Progress (MAP). MAP is a computer adaptive interim assessment which provides a personalized assessment experience by adapting to each student's learning level and scores are available within 24 hours.

STAFF

St. John classroom teachers are certified by the Wisconsin Evangelical Lutheran Synod and/or have their teaching licenses. The current St. John staff consists of 3 teachers in our Early Childhood Learning Center (ages 3-5), 8 teachers in grades K-8, one teacher for band, and upper grades choir, one teacher for Spanish for grades PreK-8, 2 pastors, 5 paraprofessionals for grades K-8, and additional paraprofessionals to run our "After-School" program. All classroom teachers have a Bachelor of Science degree in education and Principal Gartner has his Master's Degree of Leadership in Education. The School Board encourages teachers to continue their education by paying part or all of workshops, seminars, on-line classes, and summer school.

TRANSPORTATION

Residents of Redwood Falls School District are transported by Thielen Bus Lines.

LUNCH

A government subsidized hot lunch program is operated. Free and reduced price applications are available and encouraged to be filled out. Milk can be purchased for break time and/or for those who eat a sack lunch.

EXTRA CURRICULAR
